

Leg Up Horse Camp at Casperey Stables

Thank you for your interest in the Leg Up Horse Camp program at Casperey Stables. Your child will love it!

It is our philosophy that all people, regardless of age, continue to grow and develop. We believe kids especially need the chance to grow in a healthy, nurturing environment. Horsemanship provides a unique opportunity to develop essential life management skills such as responsibility, leadership, teamwork, compassionate assertiveness and self reliance. The parents of our Campers and Riding Students claim their children are better equipped for school and other activities as a result of our Horsemanship Programs. At Casperey Stables, we disguise all that as plain and simple FUN!!

When your child is spending his or her summer at horse camp, you will relax knowing they are having fun horsing around in a safe, supervised environment - he or she won't be bored or hanging out at the mall or spend the summer glued to the TV!

Our Horse Camp programs are jam-packed with fun and excitement for the newest beginner to the more advanced rider. The main focus will be HORSES--daily lessons, trail rides, horse care and horseback games. Your child will enjoy seeing demonstrations by blacksmiths and equine dentists. We'll have fun making crafts of all sorts, playing sports and games and every week we will have a Water Play Day! And at the end of each session, parents are invited to join their kids for a Cook-Out and Horse Show.

You'll be astounded as you watch your child's confidence and abilities grow. Mom and Dad - bring your camera!

Join us at Casperey Stables for our Summer Horse Camp. Fill your child's summer with horses, fun, horses, friendship, horses and memories to cherish!!
